### Create your Online New Product Profiles

Enter up to **five new products** as part of your on-line booth profile. An on-profile includes:

- New product name** **225 character new product description**
- 1000 character product detail description** **Link to catalogue, promotional flyer or web page**
- Gif or jpeg image (max 30 KB and 250W X 120H)**

New products must be newly introduced within the past six months and available for sale in Canada by the spring of 2019. Entries are subject to evaluation by a panel of judges. Notification of acceptance to display products will be sent to companies by December 14, 2018.

Selected new products will be displayed in the New Product Showcase – January 8 - 10, 2019. A minimum of two samples will be required. One product will be for display in the New Product Showcase and one in your booth. A product on display in the New Product Showcase is FREE and available ONLY to Congress 2019 exhibitors.
